An inquiry regarding our stationery products has allowed us to help a remarkable family in a very small way. We, at Crest-Craft, would like to acknowledge the great sacrifice Marine Lance Cpl Christopher Billmyer has made for our country and ask everyone to please pray and send good wishes to Chris and his family.

Christopher, 22, of Dubuque, Iowa, was hit by an improvised explosive device in the Southern Afghan province of Helmand. He sustained injuries in the explosion that required amputation of both legs and was awarded a Purple Heart. Jim Billmyer, Chris' dad, says his son is staying positive as he recovers.

The American Trust and Savings Bank has established a 'Christopher Billmyer Fund'. Please send any cards and donations to:

Christopher Billmyer Fund,
C/O Mr. James Billmyer,
1660 Embassy West Drive,
Dubuque, Iowa 52002.

Chris also has a FB page: Chris Billmyer is a Hero. Please Like the page and connect with Chris and his family on FB too.
